

Letter to prof. Walter Veith
By the Institute for Religious Research – Montenegro

Dear prof. Veith,

We are glad to have had privilege attending your recent lectures in Podgorica, Montenegro. Of course, this is not first time for us to listen you. Actually, we are very well acquainted with your work and teachings, and appreciate it very much.

Hope you would read this letter carefully because we are convinced this matters a lot not only end time perceptions but also your own influence on millions around the world.

First of all, let us introduce ourselves briefly. We are biblical believing people living at ex-Yugoslavia region. We do not belong to any official church, also we do not support any church or religious organization, and thanking to that fact, our faith could be built on clear biblical doctrines, recognized by protestant reformers, including Advent movement and Ellen G. White writings. We are strongly convinced that as the end time approach, the work of God is going to be purified completely, which enables last generation of believers to present Plan of salvation in its simplicity and power to the dying world and disclosed spiritual Babylon too. You are considered as an expert in the field of exposing Babylon crimes, that's way your role is so important.

It is important to stress that our organization titled Institute for Religious Research was establish only to support our public work, such as books publishing, lecturers, etc. By now, almost 20 books have been produced, including Bible New Revised Translation in Serbian language (Textus Receptus is standard for corrections). So, we do not intend to found a church or any type of religious organization within the system ever.

As number of people around this group is increasing, everybody can confirm benefits in their religious lives, growth of true and strong reasonable faith, free from churches deceptions.

Now when you got an idea about us, please do not consider us as an independent ministry or offshoot from SDA, simply because this is not our frame of mind. The only reason we are out is because the Lord himself defines His followers as called-out (ecclesia), which is the same pattern from the Fall onward. No church registered and governed in the world system can survive or keep clean doctrines. Within the world, they become like the world sooner or later, being infiltrated and overtaken by the great religious apostate.

So, we want to draw your attention to some things with which you are probably already familiar in some extent.

First one is SDA church standing in today's world. It is noticeable through your lectures that you are brilliant when exposing Catholics and other churches, but you fail to disclose very similar problems as far as SDA church is concerned. We are aware that you influenced millions to become SDA members, but the question is will they stand end time inside the church, which is, according to all objectively led analyses, overtaken by the enemy long time ago. In fact, when SDA church introduced trinity doctrine in 1980, they were finally overtaken. By the way, it was the same year when American president took oath turned to obelisk, which meant capitulation of the USA before the pope. There are too many sings from the time on testifies great apostasy in the SDA church. Pillars of Advent movement have been changed in so canny ways that most members even did not notice it.

Let's summarize it:

1) Changed and corrupted theology, adapted to generally accepted Christendom frame of mind, which refers in particular to the introduction of Babylonian doctrine of the Trinity (officially from 1980), which prevents the understanding of the Plan of salvation, and practically ban preaching three

angels' messages, the very reason Advent movement was established. This inevitably includes participation in ecumenism.

2) The church hierarchy was formed much like a Catholic, where officials come to their positions by lobbying and bribery as well as in politics. This practice also separates the "clergy" from the laity. The church recruits consentaneous or reach individuals in their ranks (heiress are usually members of the clans from autochthonal families).

3) Infiltration and overtaking the fallen leadership by Catholic and other agents, as well as overtaking of the key institutions of the Church (theological schools, colleges, hospitals ...), which are in the spirit and character do not differ from the world.

4) The introduction of a democratic system, where, in the absence of God's leadership, delegates may vote at the highest administrative bodies between creation and evolution, to pass various political and religious programs in accordance with the interests of the creators of the New World Order (for example LGBT tolerance, promotion of various forms of immorality under guise of "human rights," the ecumenical programs, etc.).

5) Economic aspect of apostasy through the acquisition of huge profits through financial manipulation of the members, and trade on the stock exchange as well, where the General Conference is performing with a protected trademark.

All these are qualities of Babylon. We do not assert the SDA is Babylon, such they prefer in their megalomania thinking way, but only a tag to Babylon by their own choice. That's why we cannot speak nowadays about infiltrators, because they treat as infiltrators and enemies rare individuals proclaiming the truth, whether inside or outside the church, including you. But as long as you support trinity dogma and tithe, they will not excommunicate you, in spite of dangerous ground you often step in.

Yes, we heard you called GC officials Levites, "good and bad ones", so one lost tribe of Israel is finally found. If so, it might be that another lost tribe occupies Samsung or General Electric headquarters.

Now let's show key points about famous trinity doctrine. We tried something in Podgorica, but some ears around turned into huge antennas.

Does Bible anywhere mention trinity? No. Did Ellen White ever mention trinity? No. Why? Because neither she nor early Adventist pioneers believe in it. Did Jesus say to Pilate, "I am the second person of Godhead" or something else?

Do we know from history who, when and why introduced trinity dogma? Yes! You should know it very well. Also, you should be aware of specific Bible verses "editing" by church "fathers" to support trinity doctrine, such as Matthew 28:19 and 1. John 5:7. If Bible really supports this dogma, why so much efforts and pressure were made to impose it? The only reason is because it is the entrance-ticket to fallen Babylon!

You said in Podgorica that the Holy Spirit personality is unknown. Really? Holy Spirit is God's spirit (Genesis 6:3; 41:38; 1 Samuel 11:6; Isaiah 42:1; 48:16; 63:7-14; Zechariah 7:12; Psalm 51:11; 1 Mathew 10:19-20; Luke 4:18-19; 1 Corinthians 2:11-12; 1 Thessalonians 4:8...).

Father and Son have the same Spirit that origins from the Father (Acts 2:33; Mathew 18:20; 28:20; Philipians 1:18-19; Romans 8:9; Galatians 4:6; Revelation 2:8,11,18,29 ref. 1:11-18).

Who is the promised Comforter (John 14:16-26)? See Acts 2:33; Romans 8:9; 1 Corinthians 1:6; 6:19; 12:4-13; 2 Corinthians 3:17; 1 John 2:1; Hebrews 2:18; Mathew 28:20; Colossians 1:24-27; John 14:23.

Holy Spirit never appeared as person: Mathew 3:16,17; Acts 2:2-4,15,17 (if the Spirit is really third person of Godhead, then God breaks His own Law, appearing like dove or material things); Luke 4:18,19; Isaiah 11:1,2; 42:1; Ephesian 2:22; Acts 15:8.

Why Holy Spirit is described looks like a personality (1 Kings 22:24; 1 Peter 1:21; 1 Timothy 4:1,2; 1 Corinthians 2:11,13; 12:11; Acts 5:9; 9:31; Ephesians 4:30; Hebrews 10:29). See 1 Corinthians 6:19; 2 Corinthians 6:16. Taken out of context these verses may seem to support trinity dogma. In fact, as Ellen G. White stressed, Holy Spirit is Father or Son's presence, where they personally are not present.

Baptism among early Christians was never performed in Trinitarian formula, but only in the name of Jesus Christ (Acts 2:38; 8:16; 10:48; 19:5; 22:16; Romans 6:3-6). Did Jesus disciples really forget appointment of their Master, or something happened inside apostate church (unbiblical term) to reconcile Babylonian mystery religion and Christianity? First epistle of John settle the things right about Father and Son and true faith, giving also words of warning against false doctrine denying Father and Son. If trinity dogma is true, then Godhead play only certain roles like Hollywood actors. Nothing was real, especially Jesus death. Trinity dogma is bottomless pit of deceit with no way out.

Now, what is blasphemy to Holy Spirit (Mathew 12:9-32)? It is denial of Christ work IN the Spirit of God (Mathew 12:28).

To whom Ananias and Sapphires lied (Acts 5:3,4)? Taken out of context, it might be third person of Godhead, but... "Then Peter said unto her, How is it that ye have agreed together to tempt **the Spirit of the Lord?**" (Acts 5:9; see also 2 Peter 1:21)

Who led early Christians, Christ or Holy Spirit as separate person (Acts 13:2; 16:6,7; 20:28)? Please note what Christ told about Paul: Acts 9:15; ref. John 15:1-5; Ezekiel 36:26-27. God Himself is Spirit (John 4:24).

Blessings in epistles were always given in the name of Father and Son, never from Holy Spirit (1 Corinthians 1:3; 2 Corinthians 1:2-3; Galatians 1:3; Ephesians 1:2,3; 6:2; Philippians 1:2; Colossians 1:2,3; 1 Thessalonians 1:1; 1 Timothy 1:2; Titus 1:4; Philemon 1:3; James 1:1; 2 Peter 1:2).

Finally, where is supposed third person on God's throne (Revelation 6:16; 7:10,17)? Even after realization of the Plan of salvation, two Persons only were seen by the prophet (Revelation 22:1, 22). Third one (god in an attempt) terminated his job in lake of fire.

We hope this brief guides may encourage you to reconsider this very important issue, vitally connected to first angel message. You told about Joint Declaration on the Doctrine of Justification between Catholics and Lutherans, but key point for so called Christian world unity is doctrine of trinity. You must know it. Because of your prominent position, you are not allowed to make compromises, in spite of your strong allegiance to SDA church (which is, by the way, on opposite side to Advent movement proclamations). Many people looking at you, so may God give you strength to step forward fully equipped by His armor (free from the church false equipment).

We would also like to talk to you privately about all these issues and many other things. May God provide such an opportunity.

Looking forward to hear from you at your earliest convenience, please accept our
Best regards,
